

Data Act Out of Cycle Update – October 1 - 31, 2021

Enhancements	Description	Agency	Production Date
ENHC0010797	Increase the Disaster Emergency Fund Code (DEFC) to a 3-character code. This change is in accordance with the Data Act Information Model Schema (DAIMS) version 2.1 effective July 2021. This change will impact Data Act Files B, C, A-C, and the DATA Act Repository. It will also impact the DEFC Code tables that reside in ERP Central Component (ECC).	ALL	10/08/2021
